Dear Sir:

I am sending you an
order for your book,
"Spanish Songs of Old California".
What would be the special
rate on ten (10) copies?

yours truly,

(miss) Matthe-Celute Widney

Miss Mattie-Celeste Widney,
911 East Boulevard,
Stanford, Texas.

Dear Madam:

I have sent you a copy of the First Book of Spanish Songs of Old California, under separate cover.

I can supply you quantities of 10 at 20% discount, or \$1.20 each, post-paid-- by sending them 2 in an envelope, instead of in a single package. A peculiarly stupid post-office ruling makes the postage more than twice as much on 10 books sent in one bundle, as on 10 books sent in 5 or 10 separate bundles.

Sincerely yours,
